

May 30, 2010

Dear Veteran,

Today, Memorial Day, is a special day of remembrance, commemoration and thanks for our country's men and women veterans, some of whom have made the Supreme Sacrifice.

They came from all walks of Life, grew, worked, loved, married, had families, and worshipped God in churches such as our own Saint Sophia.

Their sacrifices enabled our great country to protect and preserve its coveted freedoms of Speech, Thought, Religion and Democracy.

Therefore, it is with great Honor and Pride that Albany Chapter #140 of The Order of AHEPA, and its Veteran Brothers, proudly recognize you, the Veterans of Saint Sophia, with a Veterans Coffee Hour and a current list of Saint Sophia Veterans. That list may also be found on the Saint Sophia web site at:  
<http://www.stsophia.net/Veterans.htm>.

Every effort has been made to assure accuracy and we apologize for any inadvertent errors. By submitting the attached Veterans Information Form, which may also be found on the Saint Sophia web site, please notify us of any corrections or omissions so that we may promptly address them.

Over the next year, The Order of AHEPA will be requesting your support in helping us to identify and recognize our Merchant Marine and Greek Military Veterans. The Veterans Information Form may also be used for this purpose.

**We Salute You**
